

## Introducing the NEW DonorCentral

Your online portal for your charitable fund at OACF  
*Greater functionality and easier to use*

Starting Thursday, April 30, 2015, you will see a new look and new features when you log on to DonorCentral. Here's what you can expect:

### Still the same:

- Log on as you always have through OshkoshAreaCF.org, with your same user ID and password.
- You can review fund activity and recommend grants, 24 hours a day, 7 days a week.
- We are standing by to answer your questions and help you learn more about nonprofits in Winnebago, Green Lake and Waushara counties, and Ripon, or across the nation.

### What's new:

- You will notice that DonorCentral looks different — cleaner, brighter, more inviting and easier to navigate. For a preview, check out the screen shots in the following pages.
- A list of your most recent grants, with an easy "make a grant" button by each one for quick repeat grants — right on the home screen.
- An improved search function as part of the "Make a Grant" process helps you find a charity by name, location, keyword or interest area and link directly to Guidestar.org to find out more before you recommend a grant.

We will be making the transition on Thursday, April 30, 2015. There may be a brief period when DonorCentral will be inaccessible.

We will send an email when the transition is complete, and we encourage you to log on and explore.
